

# MATCH THE JACK O LANTERNS

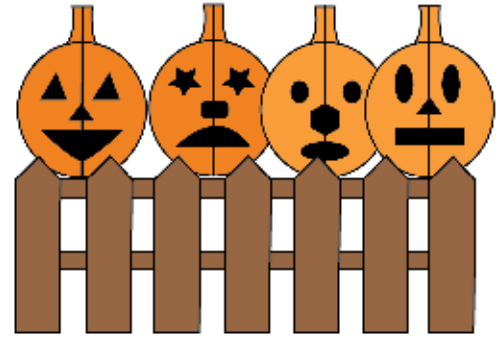

©2012kindergarten-lessons.com

## For use in centers

1. Print pumpkins on orange paper, glue to card, laminate, print fence on brown paper glue to card and laminate.

2. Cut out pumpkin faces, then cut in half through the black line.  
Place pieces in a center with laminated fence.

3. Children sort and match pumpkins and place the on the laminated fence.

## For individual student work

### Preparation:

Print one copy of pumpkins for each on orange paper for each student.

2. Cut through black lines with paper cutter. Do not bother keeping them separate.

3. Print one copy of fence for each student.

### Students

1. Students color fence and put name on paper.

2. Spread pumpkin halves on a table.

3. Students find and choose pumpkins halves until they can make 4 different faces.

4. Students glue matching halves to the top of the fence.
